POWERPLAY FARMS

BREED ★ RAISE ★ SUCCEED

Dear Valued Client,

We want to sincerely thank you for your continued trust and support in PowerPlay Farms. Our clients are the foundation of our program, and we truly appreciate the opportunity to care for your horses and be a part of your success.

Over the past year, we have experienced significant increases in the cost of hay, feed, bedding, medications, veterinary supplies, fuel, utilities, equipment, and labor. As you know, the equine industry as a whole has faced rising expenses, and these increases have substantially impacted the cost of providing the high level of care, facilities, and services that PowerPlay Farms is committed to.

Price Increase Effective December 1, 2026

Our fees will be increased to reflect these higher operating costs. This adjustment is necessary to continue to invest in our farm, facilities, equipment, and most importantly, the health, safety, and well-being of your horses.

The increase will apply to all areas of our services, including but not limited to:

- **Boarding and care**
- **Feed, hay, and supplements**
- **Breeding and reproductive services**
- **Daily turnouts**
- **Training, handling, and farm services**
- **Medications and supplies**
- **Farrier services**
- **Stallion services**
- **Shipping and transportation**
- **All other farm charges**

Broodmare Veterinary Services & Breeding Care

For the health, safety, and reproductive well-being of all broodmares, we ask that owners establish an account directly with **Orrville Veterinary Clinic**. This arrangement allows veterinary services and breeding-related veterinary procedures to be billed directly to the mare owner and ensures that each owner has a direct relationship with the veterinary provider.

Orrville Veterinary Clinic | 330-683-2971

Your individual invoices will reflect the updated pricing. If you have any questions about how this may affect your account or upcoming services, please don't hesitate to reach out to our office. We are always happy to discuss your horse's care and make sure we are meeting your needs.

Thank you again for your understanding, continued loyalty, and for being a valued part of the PowerPlay Farms family. We look forward to another successful year together!

Sincerely,

Tom & Cheryl Houck
